Thank you for joining us for the 20th annual Ocean State Job Lot Charitable Foundation Golf Tournament.

The satisfaction of knowing we can make a difference together is truly rewarding. Over the past year, together we provided the equivalent of 4.2 million meals to people in need across nine states. We assisted 190 animal welfare organizations with donations from our To The Rescue program. Through our Buy-Give-Get coats and backpacks programs, we supplied 63,000 warm coats to veterans and 35,000 new backpacks to children of military families in need. Right now, we're in the process of distributing 1,800 bikes to children of military families, donated through our first-ever Buy-Give-Get bikes program. Our store teams supported 710 different nonprofits with more than \$145,000 in in-kind donations through the Close to Our Heart initiative. And we responded to crises across the globe through the generosity of our supporters and relationships with our international partners.

At Ocean State Job Lot, we strongly believe in giving back. That's why 100% of the proceeds from this tournament go directly to those in need. Our company absorbs all operational and administrative costs related to our Foundation's efforts, every day.

Through the generosity of our customers, partners, and supporters, we have impacted countless lives across our communities. Your continued belief in our mission is deeply appreciated and it inspires us to continue to help those in need. Thank you for your continued commitment to our charitable endeavors.

With many thanks,
Alan Perlman and Marlene Bellini

Over the course of 2023, and to date in 2024, OSJLCF gave to more than 900 different charitable organizations which included but was not limited to veterans support agencies; food banks, pantries and kitchens; animal welfare organizations; and medical groups.
